About This Game

In the year 2171, the world is a changed place. The countries have merged into rival super nations called U.C.S. and O.C.U. The human race started a massive push into space by building orbital elevators to set up surveillance satellites to watch over their adversaries. However, tension rises when a U.C.S. orbital elevator is destroyed by unknown forces. Dylan Ramsey, a young engineer, finds himself quickly caught in a swirl of destruction, conspiracies and crumbling alliances in a new war brewing between the O.C.U. and the U.C.S.

- **Third-Person Shooter Action** - Fast-paced action awaits as players battle enemies in the concrete mazes of cities, the frozen wastes of the Antarctic and a host of unique locations.
- **Customization Options** - Players can strategize their combat by choosing from dozens of weapons, shoulder attachments, and wanzer parts to build a war machine that suits their play style.
- **Online Multiplayer** - FME is the first in its series to boast online multiplayer with a team-based mode with up to 4-on-4 wanzer-sized death matches.
- **Over-the-Top Visuals** - Features breathtaking CG movies by Visual Works, the cutting-edge studio whose previous work includes cut scenes for the acclaimed FINAL FANTASY® series.
- **Battle Skills** - Gain a tactical advantage over an opponent by equipping your weapons with a wide variety of different skills such as a corrosive or piercing shot.

-
- **E.D.G.E. System** - Activate the E.D.G.E. system on your wanzar to enter a state of high-performance overdrive by boosting its power and slowing down enemies.
