[135dec40:984c6a38:00000077] I tried downloading Origin again and it didn't work, so I tried deleting the app and reinstalling it again and the same error came up. I fixed it by deleting my local files, installing it again, uninstalled it, followed the steps again and it worked Apr 21, 2020 I've got a similar error: Unable to start: Initialization error at start up. [135dec40:9c00c038:000000c5] I've managed to make it work, go here: [and copy & paste the link into your browser then save it as well as open the file then try downloading again.](#) Dec 17, 2019 I was having a bug that was asking for my . I tried downloading my local files again but it wasn't working. I managed to make it work by deleting my local files, reinstalling it, uninstalling it, followed the steps again and it worked Apr 23, 2020 I wasn't able to play Sims 4 in my original account. I used to play Sims 3 but one day I changed the account, and I don't really know what happened. So I had to reset all my game files, and I tried downloading them again and I got an error telling me that someone else was playing Sims 4 that's why I couldn't. So I used this tool to change the Sims 3 account from the backup files. Hope this helps. 98 people had this . Jan 17, 2020 I've got a similar error: . My Sims have been really buggy. Whenever I tried to download Sims 4 my game said that someone else was downloading and it stopped working. I tried downloading it again, I installed it once again and after that whenever I wanted to start the game it said that somebody else was playing Sims 4 and the game wouldn't start. At the end, when I used that tool to make the Sims 3 account run again I used the tool on my Sims 3 account instead on my Sims 4 f678ea9f9e
