Low carb diet can help with weight loss. A low carb diet is an eating plan that restricts your carbohydrate intake to less than 50 grams per day. Q: How to add color to a realtime graph with realtimechart.js I'm trying to use the realtime charting component of realtimechart.js. However, I can't find any working example or documentation for how to add a color to my graph. A: You can use the "setOptions" function to specify any options for the chart, like the fill color: chart.setOptions({ chart: { fill: color } });

Andrés Nied Andrés Enrique Nied (born 30 September 1967) is a Spanish composer, pianist, musicologist and music educator. Biography Born in Barcelona, Andrés Nied studied composition at the Musikhochschule in Stuttgart. He graduated with a degree in Piano Pedagogy from the Hochschule für Musik und Theater in Munich and worked as a musical director for the ballet "Chamber" in Essen, Germany. He studied musicology at the Max-Planck-Institut für Klassik, Berlin and composition at the Composition and Piano Pedagogy department at the Academia de Bellas Artes in Granada. He also attended seminars on the history of music at the Universität Stuttgart and the Universität Augsburg. Nied received his PhD in Musicology from the Universität Stuttgart and his master's degree in composition at the Universität Augsburg. Works His work is influenced by classical and contemporary composers such as Bach, Mozart, Bruckner, Shostakovich, Ernst Krenek and Kurt Weill. His compositions are written for chamber music ensembles, choir and orchestra. His compositions are published by Edition Peters. List of works Concerto Les Nuits, for solo piano and large orchestra (2002), published by Edition Peters Sinfonia in memoriam for solo violin and large orchestra (2004) Suite in memoriam for viola and piano Piano trio Duos Chamber music Suite for piano (1997 82157476af
